To: All Fimber Parish Councillors,

Dear Colleagues,

Fimber Parish Council Meeting – 7th February 2005 – 7.30pm

The agenda for the above meeting is attached. I propose to hold the first part of the meeting in closed session, for about 45 minutes to discuss, among other things, the matter of open meetings and how best we manage them. I think we are duty bound to have open meetings but I am aware that they can be problematic given the close-knit community we live in. The open part of the meeting will now commence at 8.15pm but as the agenda is not too long we should finish around 9.15pm.

I am sorry that you have not yet had a copy of the minutes of the October meeting. These will now be distributed at the meeting.

I look forward to seeing you all again on the 7th.

Best Wishes

Peter
