

SHEDUCATION

BEAT THE
GARDEN THIEF

Secure access to your shed or garage by locking gates, and using thorny bushes next to walls and fences.

Have you visibly marked the contents of your shed? Make a note of serial numbers, photograph valuable plants and ornaments. Register details on immobilise.com

External security lights which are activated by movement can be a useful deterrent.

Doors of sheds and up and over garage doors require attention. Use strong padbars and shackle padlocks. Fit windows with locks or grilles.

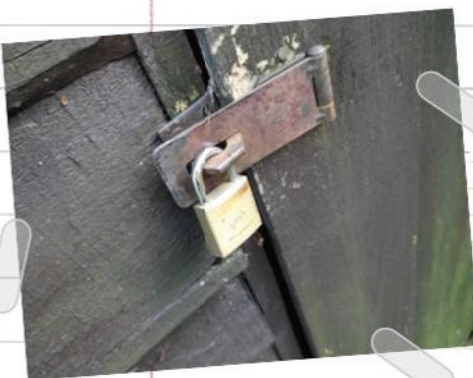

Use coach bolts or non-return screws to secure door hinges.

Chain cycles, mowers, ladders and tools to a strong anchorage point.

Alarms for sheds and garages are available for £20 at most DIY stores, catalogue shops and builders merchants.

Exactly what insurance cover do you have? Check that your household policy covers you for theft for gardens and outbuildings.
